How to manage your team member page

How to manage your team member page

Customize your personal details, send donor invites, and share your unique fundraising page address.

Written by Alyssa
Updated over a month ago

Table of contents

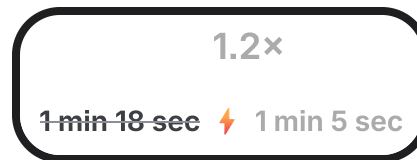

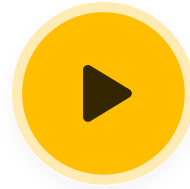

Peer-to-peer fundraising is an effective and fun way to raise money for causes you care about. Raise more for your favorite campaigns by adding photos, a story, and a goal to your personal team member profile. [View a sample team member page →](#)

Before you start, you'll need to join the campaign you want to be a team member on! [Learn how in our guide →](#)

How to configure your Team Member Page

 1 min  2.23K views

Add a profile picture

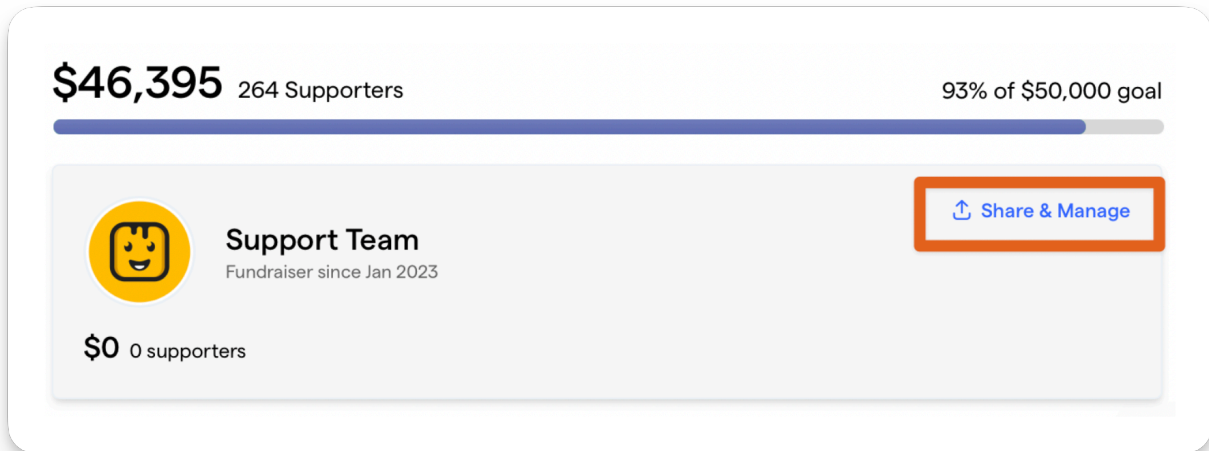

- Head to your [profile](#) and select the **Upload** option underneath the round profile image section.

- Upload your image – We recommend using a JPEG or PNG.
- Click on the pencil icon to crop or rotate your image if needed.

Customize your page

- Navigate to your personal team member campaign page. This will look like the main campaign page, but under the cover photo and goal bar, you'll see a light grey box with your information.
- Select **Share & Manage** in this box.

- A window called **My Fundraising Page** will appear, with several tabs at the top.

Edit Page

Any changes you make here will appear on your public team member page.

- **Display Name** – Edit how your name is displayed on the public campaign page.
- **Fundraising Goal** – Set or edit an optional (personal) fundraising goal.
- **My Story** – Write a bio for your page, including images, links, and video.

Concerned about typos? Our built-in spellcheck tool prevents errors across all text editor locations in Givebutter.

- **Leave Campaign** – Leave the campaign and remove your profile. This will not delete your personal login or notify the campaign admins. It will just remove you from this specific campaign.

My Story

Givebutter is the best!

[Save Page](#)

[Leave Campaign](#)

Share 🎁

- Copy your personal fundraising URL and share it!
- Click any of the social media icons to share your personal page directly.

My Fundraising Page

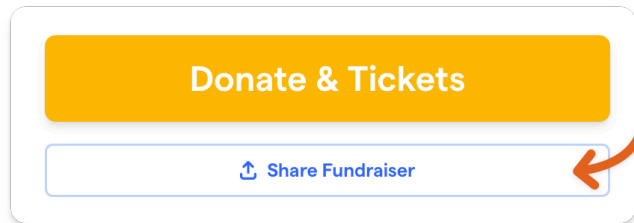

[Share](#) [Invite Donors](#) [Supporters](#) [Edit Page](#)

<https://demo.givebutter.com/page/supportteam> [Copy](#)

Fundraisers shared on social networks raise up to 5x more.

Did you know that you can also share the campaign from the public campaign page? Make sure you're on your personal team member URL (the URL should have

*your name or team name at the end of it), and click **Share Fundraiser**.*

On the popup, you can copy your URL, share your page on social media, or email your link directly to others.

Invite Donors ■

Invite people to support your cause and credit your team member profile!

- If you enter an email, the person will receive a standardized email.
- If you enter a phone number, they will receive a text message.

Once you've invited someone, two reminders will be sent at 3-day intervals, and their information will appear under **Previous Requests**. If they donate, the icon next to their name will display as a green checkmark.

What's my team member page URL?

You can find your personal team member web address in a few different ways.

- Check your email. Givebutter sends you an email immediately after joining a campaign with your campaign link – easy!
- Go to the main campaign page, scroll down past the main image, and click on your team member picture. Your personal page web address will show at the top of your browser window.
- On [your user profile](#), click **Edit Profile** under your name. Copy your **Fundraising URL** and add "/yourfundraisingURL" to the end of the main campaign link.

Fundraising URL*

Change the URL used when you are fundraising as a team member on a Givebutter campaign.

[Save](#)

Example: The main campaign is "givebutter.com/coolevent" and our Fundraising URL is "captainbutter", so our full link is "givebutter.com/coolevent/captainbutter"
